

NPHICON 2024

CALL FOR ABSTRACT

The Scientific Committee of First National Public Health India Conference (NPHICON) 2024 welcomes the submission of abstracts for oral and e-poster presentations

- All the delegates submitting the abstract must have registered for the conference
- Last date of submission of abstracts: **4th February, 2024. No abstracts will be accepted after this date**
- Abstracts which have been previously published in any journal or presented at any conference should not be submitted
- The scientific committee of the conference reserves the right to reproduce the abstracts submitted in NPHICON 2024 souvenir in print or electronic media

Abstract Submission Guidelines for Oral Presentation/ e-poster presentation:

1. Abstract submissions are invited for the topics listed in the sub-themes below with a word limit of **300 words**
2. All abstract submissions should have a precise and informative title. Kindly avoid any type of abbreviations in the title. Title should be in Times New Roman in 14 point with double spacing
3. The title should be followed by the names of all the authors of the study, their designations, affiliated Institutes, email id, and contact details. The first author will be considered as the presenting author
4. Abstract should be structured under the sub headings: **Conference registration (Yes/No), Title, Background, Objectives, Methods, Results, Conclusion, Key words (5)**
5. There is no provision for any type of images/diagrams/pictures/graphics/tables in the abstract
6. The abstract font type and size should be Times New Roman and 12 point respectively with double spacing
7. All abstract submissions to be emailed to nphicon2024.ncdc@gmail.com along with registration form and should include the word 'Abstract' in the subject line and mention subtheme desired for presentation
8. Kindly mention your preference of Oral /Poster presentation and you will receive an e-mail confirmation after submission.
9. Abstracts will be reviewed by the scientific committee & the committee holds the right to accept/reject or to consider an abstract either for oral or poster presentation. The decision of the Scientific committee shall be final. Confirmation regarding the acceptance and mode of presentation will be displayed on NPHICON website.
