No.67/NCDC/NPCCHH/2024-25

Dated the: 9th July, 2024

Dear Colleagues,

The National Programme on Climate Change and Human Health (NPCCHH) is a public health programme under National Health Mission (NHM), MoHFW, Government of India. Aim of the programme is to reduce morbidity, mortality, injuries and health vulnerability among the population in the country due to climate variability and extreme weathers.

It is important for programme division to review the states in regards to implementation of the programme in their respective states so that programme objectives are attained in time. The feedback from the states is also essential for programme division is essential for successful implementation of the programme.

In this regard, three days (in person review meeting) is being organized by National Programme on Climate Change Human Health in New Auditorium Block at NCDC, Delhi from 06th – 08th August, 2024. For this review meetings all the State Officials are requested to attend the meeting with following documents:

- Status update of the budget expenditure for the programme in the state for FY 2023-24;
- Status report on the programme activities conducted in the state during FY 2023-24;
- Few best practices related to the programme to share information and experiences with programme colleagues.

It is requested to include State Nodal Officer and Consultant of NPCCHH in delegation for the above said meeting.

Looking forward for your kind support and cooperation for the workshop scheduled in the month of August, 2024. A line of confirmation of your gracious presence may be communicated at nppcchh.hq-ncdc@ncdc.gov.in.

With regards,

Yours sincerely,

(Atul Goel)
