

Note # 12

Subject: Approval for Posting News on the NCDC Website – Telangana SectorConnect Field Epidemiology Program in One Health - reg.

2. This is in reference to the commencement of the SectorConnect Field Epidemiology Program in One Health (FEP-OH) in Telangana marked by the inaugural ceremony of the Charminar Zone cohort in Hyderabad on 25 March 2025.

3. The event was graced by key dignitaries from the Government of Telangana, NCDC, and DAHD, highlighting the commitment to multi-sectoral capacity building in disease surveillance and outbreak response. In this regard, the draft news article is attached herewith as draft no. **DFA/8689139** to be posted on the NCDC website.

4. File is submitted for the kind approval of Director, NCDC.

Submitted pls.
